

# COVER LETTER

Dear Sir/Mam,

I am writing in regard to your job opening of **Software Engineer**. As a candidate with extensive experience in programming, I am highly skilled in Html, CSS, JavaScript, JSON, Git, C++, AngularJs, Node.js & PHP. My solid background in these skills has allowed me to manage teams with exceptional performance.

The opportunity to join **VOLTSTORAGE** greatly interests me because VoltStorage is the best in providing Software Solutions and help me to grow and will respect my creativity. As a holder of Bachelor's Degree in Computer Science I can competently execute the responsibilities that you have mentioned in your Job.

I believe that I would make a valuable asset to your team and I offer my resume for your review.

As per my professional summary, my qualities and experience make me highly suitable for the role of **Software Engineer**.

Throughout my career, I have demonstrated the highest levels of service and commitment to the mission of any organization I have worked as freelancer and also working for a company in Pakistan named Rex Technologies situated in Lahore City as a Software Developer.

Thus, if you are looking for an organized

You are welcome to contact me to arrange an interview. I am eager to learn more about how your organization can benefit from my contribution.

I thank you for your time and consideration and I look forward to hearing from you.

Regards,

Junaid Rashid
